The boards desire to conduct business with the benefit of public input and expertise. They also want to keep the public informed and up-to-date on what is happening in the schools.

## **Implementation**

Reasonable rules of participation may be used to insure that meetings are conducted in an orderly fashion and that the business at hand is completed in a timely manner. Such rules may take into consideration such things as length of each speaker's presentation and the number of times each speaker may comment.

## **Persons Who May Address the Board**

## **Public input on items not on the agenda**

1. There will be time set aside for public input on items not on the agenda at every regular, special or emergency meeting of the Board.
2. The time allotted to this item will be assigned by the Chair or the person responsible for organizing the agenda.
