Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with <i>Government Auditing Standards</i>	1 and 2
Schedule of Findings and Responses	3

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

To the Board of School Directors  
Vergennes Union High School  
Vergennes, Vermont

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Vergennes Union High School as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise Vergennes Union High School's basic financial statements and have issued our report thereon dated October 1, 2014.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Vergennes Union High School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Vergennes Union High School's internal control. Accordingly, we do not express an opinion on the effectiveness of Vergennes Union High School's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and responses, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying schedule of findings and responses to be material weaknesses.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Vergennes Union High School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Vergennes Union High School's Response to Findings**

Vergennes Union High School's response to the findings identified in our audit is described in the accompanying schedule of findings and responses. Vergennes Union High School's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

VT Reg. No. 92-0000102

**Vergennes Union High School  
Schedule of Findings and Responses  
June 30, 2013**

**A-1 Capital Assets Records**

*Condition:* Vergennes Union High School only maintains records of its capital assets recorded after June 30, 2012 and capital assets recorded before July 1, 2012 that have a debt obligation owed as of June 30, 2013.

*Criteria:* U.S. generally accepted accounting principles require that governmental fund capital assets be recorded in the governmental activities (after adoption of GASB Statement No. 34).

*Effect:* The School is not in compliance with U.S. generally accepted accounting principles.

*Recommendation:* Vergennes Union High School has started developing a detailed listing of its capital assets, but needs a complete listing of capital assets to meet the reporting requirements under U.S. generally accepted accounting principles. Capital assets should be identified and inventoried. Amounts should be recorded at historical cost whenever possible. Extrapolated amounts may be used when exact historical acquisition and installation costs can not be obtained. In addition to reporting purposes, the list of capital assets may be useful in determining insurance needs, planning for future acquisitions, and keeping track of those assets susceptible to loss or theft.

*Response:* The School plans on establishing and maintaining capital assets records and bring the financial statements in to compliance with GASB 34 in fiscal year 2015.

**A-2 Lack of Segregation of Duties for Agency Fund Cash**

*Condition:* There exists a lack of segregation of duties over cash for the Student Activities Fund and the Principal's Account. The school secretary receives cash, prepares and brings the deposit to the bank, prepares and mails checks, maintains the accounting for the funds, and prepares the monthly bank statement reconciliations.

*Criteria:* The School is responsible for implementing internal control procedures to ensure that all cash is received and recorded and that all cash is disbursed for valid expenses.

*Effect:* Cash could be misstated due to error or fraud and cash could be disbursed for unauthorized purposes.

*Recommendation:* We recommend that cash procedures be reviewed and duties be segregated to minimize the risk of misappropriation or misstatement.

*Response:* In fiscal year 2015, procedures will be implemented to address the existence of lack of segregation of duties over agency funds.
